BULK EXPORT POUCH

A NATURAL PET-FOOD MANUFACTURER.

ABOUT US

metwiser is a professional manufacturer and B2B supplier of natural, minimally processed pet food and treats for cats and dogs. We work across the full supply chain, sourcing high-quality raw materials, processing and freeze-drying finished goods for export.

Partners can order ready-to-market products or commission fully customised manufacturing under their own brand, with a flexible production approach from raw material to packaging.
